

CANADIAN CERTIFICATION

Date: May 15, 2025

Job Number: 0819

Radio Cert.No.:

IC: 33650-BRTX

Company Name (Grantee): Bettear - Accessibility Technologies
Development Ltd.

Company Address (Grantee): 33 Ha'Barzel, Tel-Aviv, Israel

Attention: Company Contact (Grantee): Bettear - Accessibility Technologies
Development Ltd.

Dear Company Name (Grantee): Bettear - Accessibility Technologies
Development Ltd.

We have reviewed the test report and related documents and are pleased to advise that this device meets our procedural and specification requirements for certification. The field offices have been notified.

The assigned certification number and the model number must be shown on each equipment model. This certification identification information may be shown on the equipment model identification plate or on a separate label that shall be indelible and tamper proof. The certification number shall be prefixed with the letters "IC:".

Radio equipment is certified as described on the attached certification certificate.

Certificate(s) are attached for the following HVIN/ model(s):

B-RTX

Please feel free to contact us if you have any questions or comments.

Sincerely,

QAI Laboratories, Inc

Note 1: This equipment also complies with ICES-003 Issue 7 (March 2015) and RSS-Gen, Issue 5

This certificate is considered valid based on the following conditions:

The certified products must continue to comply with the latest issue of all applicable ISDE standards
This certificate does not constitute a radio licence, where required by the applicable ISDE standard(s), a radio license must be obtained from an ISDE regional office prior to product operation
The certified products shall not be manufactured, imported, distributed, leased, offered for sale, or sold unless the product certification information is listed on ISDE's Radio Equipment List (REL)
For ISDE and/or CB audit purposes, sample of certified product shall be made available to ISDE and/or CB

I hereby attest that the subject equipment was tested and found in compliance with the above-noted specifications

Ce certificat est considéré valide sur la base des conditions suivantes :

Les produits certifiés doivent continuer à être conformes à la dernière version de toutes les normes d'ISDE applicables.
Ce certificat ne constitue pas une licence radio. Si une licence radio est requise selon la ou les normes d'ISDE applicables, la licence radio doit être obtenue auprès du bureau régional d'ISDE avant l'exploitation du produit. Les produits certifiés ne doivent pas être fabriqués, importés, distribués, loués, mis en vente ou vendus à moins que les informations relatives à la certification du produit figurent dans la Nomenclature du matériel radio (NMR) d'ISDE.
À des fins d'audit de la part d'ISDE et/ou de l'OC, des échantillons de produits certifiés doivent être mis à la disposition d'ISDE et/ou de l'OC

J'atteste, par la présente, que le matériel a fait l'objet d'essai et a été jugé conforme à la spécification indiquée

Date/La date: May 15, 2025
