### **Subject**

Electromagnetic compatibility  
Electrostatic discharge immunity  
Radiated radio-frequency electromagnetic field immunity  
Electrical fast transient/burst immunity  
Surge immunity  
Conducted disturbances induced by radio-frequency fields immunity  
Power frequency magnetic field immunity  
Voltage dips, short interruptions and voltage variations immunity  
Electromagnetic compatibility  
Harmonic current emissions  
Voltage changes, voltage fluctuations and flicker  
Audio/video, information and communication technology equipment, Safety requirements  
Assessment of RoHS technical documentation

### **Additional information**

- The declaration is based on the manufacturer's EU Declaration of Conformity and supporting technical documentation.
- We have an internal production control system to ensure compliance with the technical documentation.

As importer and distributor, we declare under our responsibility that the equipment complies with the provisions of the Directives and Standards stated above.
