

Product Compliance Statement

Type of product:	Arm Cover
Brand:	Univox®
Type designation / model:	GTA-AP
Manufacturer:	Bo Edin AB Stockby Hantverksby 3 SE-181 75 Lidingö, Sweden

Product information

GTA-AP is a non-electrical textile arm cover designed to hold a radio device in place on a persons arm.

The product is not subject to EU legislation requiring CE marking and therefore does not bear the CE mark.

Where applicable, the product is supplied in accordance with Regulation (EU) No. 1007/2011 on textile fibre names and related labelling and marking of the fibre composition of textile products.

The product is subject to the applicable general product safety requirements of Regulation (EU) 2023/988.

Additional information

Based on documentation supplied by the original manufacturer, the product has been assessed for:

- Lead in accessible substrate materials in accordance with CPSIA Section 101(a)(2).
- Phthalates in accordance with CPSIA Section 108.

These CPSIA requirements are United States requirements and are stated here as additional material compliance information only.

Bo Edin AB maintains relevant supplier and product documentation supporting the information stated above.
